

# 1750 SPIDER VELOCE®

|                              |                       |
|------------------------------|-----------------------|
| 1 Battery                    | 12 V-60 Ah            |
| 2 Coil                       | Bosch K12V            |
| 3 Ignition distributor       | Marelli S.103B        |
| 4 Starter                    | Bosch EF(R)12V0,7PS   |
| 5 Alternator                 | Bosch K1(R,L)14V35A20 |
| 6 Voltage regulator          | Bosch AD1/14V         |
| 7 Windshield wiper (2 speed) | Bosch WS4904AR2A(0)   |

- 8 Horns
- 9 Flasher unit, directional
- 10 Fuel level sender
- 11 Fusebox
- 12 Junction box
- 13 Additional fuse holder
- 14 Horn relay
- 15 Coolant thermometer bulb
- 16 Oil pressure gage sender
- 17 Low oil pressure warning sender
- 18 Cold starting device solenoid
- 19 Low fuel pressure warning sender
- 20 Service brake warning light pressure switch
- 21 Stop light pressure switch
- 22 Emergency flasher unit
- 23 Emergency flasher relay
- 24 Blower motor (2 speed)
- 25 Cigarette lighter
- 26 Fuel pump

## SWITCHES

- 27 Parking lights, headlamps and flashing
- 28 Direction indicator
- 29 Horn control
- 30 Back-up lights
- 31 Windshield washer, foot operated
- 32 Ignition and starting
- 33 Dashboard light
- 34 Blower
- 35 Windshield wiper motor (2-speed)
- 36 Emergency flashers
- 37 Brake warning light testing
- 38 Engine compartment light
- 39 Dome light (microswitch on door jambs)
- 40 Courtesy light (toggle switch in light unit)
- 41 Glove box light

## BULBS

|                                                               |                     |
|---------------------------------------------------------------|---------------------|
| 42 Headlamp hi/low . . . . .                                  | sealed beam         |
| 43 Parking & Stop lights . . . . .                            | 5/21 watts          |

| 45 Rear direction indicators and emergency flashers           |                     |
| 46 Back-up lights . . . . .                                   | 5 watts globular    |
| 47 Front parking lights . . . . .                             |                     |
| 48 License plate light . . . . .                              | 5 watts cylindrical |
| 49 Engine compartment light . . . . .                         |                     |
| 50 Courtesy light . . . . .                                   | 4 watts tubular     |
| 51 Glove box light . . . . .                                  |                     |
| 52 Side marker light . . . . .                                | 3 watts cylindrical |
| 53 Ash tray light . . . . .                                   |                     |
| 54 Instrument light . . . . .                                 | 3 watts tubular     |
| 55 Alternator warning light . . . . .                         |                     |
| 56 Blower warning light . . . . .                             | 1.2 watt tubular    |
| 57 Fuel reserve warning light . . . . .                       |                     |
| 58 Direction indicator & emergency flashers warning . . . . . |                     |
| 59 Low oil pressure warning light . . . . .                   |                     |
| 60 Parking light warning . . . . .                            |                     |
| 61 High beam warning light . . . . .                          |                     |
| 62 Low fuel pressure warning light . . . . .                  |                     |
| 63 Brake warning light . . . . .                              |                     |

## CABLE COLOR CODE

|    |        |    |        |
|----|--------|----|--------|
| AZ | blue   | NE | black  |
| BI | white  | RO | pink   |
| GI | yellow | RS | red    |
| GR | grey   | VE | green  |
| MA | brown  | VI | violet |

The figure following the color code on the diagram shows the wire gage in mm<sup>2</sup>.

## PLATE ON FUSEBOX

- 1, 2, 3 Main devices
- 4, 5 Parking lights
- 6 Indicating devices
- 7 L.H. high beam
- 8 R.H. high beam
- 9 L.H. low beam
- 10 R.H. low beam
